WHEN YOU WISH UPON A STAR

We are a charity dedicated to making dreams come true for local children suffering from life threatening and terminal illnesses.

Our pledge is to raise money to ensure that our work can continue granting wishes for our very brave and deserving children. For some children their wish is to meet their favourite characters in Disneyland

Florida or Paris, for others it is the opportunity to meet

their pop or sporting heroes and for some it is the chance to go on a weekend break away in London to see their favourite musical in the West End Theatre. Whatever their wish, no matter how big or small, our aim is to make it a reality and it is with your help that we can make these wishes and dreams come true!

Every year When You Wish Upon A Star takes around 90 children from the region on a magical trip from Humberside Airport to meet the real Father Christmas in Lapland. We aim to make this an unforgettable day for our special children who, for one day, can push pain and treatments aside for fun, snow, reindeer and Santa. The sad reality is that for some of our children it may be a last Christmas - all the more reason to create an unforgettable day for them and their families.

Our Lapland trip is one of the highlights of the year for the Charity and for the exceptional, brave children who have the opportunity of this wonderful experience thanks to the generosity of people just like you.

In 2015 we are offering you the opportunity to join us on board the luxurious Belmond Northern Belle, sister train to the Venice-Simplon Orient-Express, a specially chartered trip for When You Wish Upon A Star with all profits being donated to help continue our work granting wishes for children across our region.

Why not take the opportunity to surprise a loved one or that special someone for their birthday or anniversary with a seat on board this amazing trip or simply treat yourself to what we are sure will be a wonderful afternoon on board the train, taking in the beautiful British countryside whilst enjoying traditional afternoon tea or if the mood takes you, why not upgrade and enjoy Laurent Perrier Champagne Afternoon Tea?

BELMOND NORTHERN BELLE

Step onboard and you're immediately transported back to the glamorous 1930s, when beautifully appointed "Belle" trains—the inspiration behind the Northern Belle - traversed the country in unrivalled comfort and style.

The carriages evoke the golden age of travel in all its glory—inside and out. From the handpainted and signwritten exterior to the luxuriously furnished interior, no detail has been overlooked. Walk through the train and you'll discover magnificent floor mosaics, gleaming brassware and stylish ceiling murals. Most impressive, however, is the ornate veneered marquetry lining the walls, hand-crafted using methods that have scarcely changed for centuries and inspired by the great British castles and stately homes after which the carriages are named.

Celebrations and fabulous food go hand in hand. The Executive Head Chef and team take great pride in their seasonally changing menus, which come with a dash of flavour from the regions the train visits on its journeys. Despite its name, the Belmond Northern Belle doesn't travel solely around the north of England. It departs from over 60 regional stations across the UK, on day trips and weekend breaks to some of Britains best-loved destinations.
