

On Saturday 4th February
I flew to Florida with
mum, Dad and Matt. I was
tired after the long flight.
we had a pool in our back
garden that looked like
a snake.

On the first day I was the
first one to brave
the pool. The water was
lovely and warm. Soon
Matt joined me on the
jetski for a ride. We
fell off the jetski into
the deep water and it
floated on top of us.
So we felt as though
we would drown. We
held on to the handles
on the sides of the jetski
and kicked our way to the steps where
we clambered back on.
It was great fun.

ON Friday We went
to DISCOVERY Cove
ORLANDO where we swam
with dolphins.
my brother said "the
dolphin's skin felt
like a plastic bag."
one dolphin kept on
swimming off to check
on the girls. our teacher
stopped her watch so
that we got the full
time with the dolphin.
I crouched down to
kiss the dolphin
twice. I cupped my
hands to kiss the
dolphin. Afterward we
got to swim with
sting rays and cold
water fish. The
sting rays felt like glass
slimy jelly. I was wearing
my wet suit and my

snorkling set. As they swam under me I felt scared. I wasn't sure whether they were going to stop and nibble me.

In the Disney Parks in Florida I saw Mickey Mouse and I had my photo taken with him. We also had our photo taken with Thing 1 and Thing 2. Cat in the hat was standing waiting for people to have their photo taken with him.

Later on in the day on R&L Road and I went on R.I.P. roller rocket. It was scary. We really enjoyed the Buzz Eight year ride.

You had to concentrate
really hard because
you wouldn't get
any scores.

One day I went on
test track. First
we went on suspense
Then we went on karate
test and the doors
shot open. I was
scared!

Near the end of our
holiday we went to
Magic Kingdom and
we saw the electric
parade. A star that
we saw the colourful
fireworks bursting in
the gloomy, dark, scary
sky.

Earlier that week we
went to Sea World
where we saw the
killer whale show.

we saw the snow
twice, once in the
morning and once at
night. At night I
enjoyed it because
there were loads of
sparkling, slashing
lights.

I'm really glad my
wish came true.
